

Dear Artists and Bridgewater Residents,

It's that time of year again where the Bridgewater Creative Arts Committee is planning our Annual October art show and open house. We are looking to fill our halls again with art, music, dance, a kids craft workshop and snacks. The date for the reception is Tuesday, October 25 from 7-8:30pm. Artwork will be up for approx. 4 weeks. We invite you to participate again with your new work, and perhaps encourage other artists you may know that are Bridgewater residents to participate as well. We accept all skill levels!

This show is our best received and has been growing tremendously each year. On that note, wall space is limited to about 70-80 pieces. Last year we filled the walls of the Bridgewater Municipal Building, and we project to fill them again!

- We are limiting each artist to 3 pieces.
- We insist artwork is mounted either on foamcore or is framed with a hanging system in place, such as a hook or wire.
- Deadline for artwork submission is Tuesday, October 18.
- You can drop off work at the Bridgewater Clerk's office located on the 2nd floor of the Municipal building during regular business hours

If you are a music or performance participant, please email us no later than Tuesday, October 18 with a brief description of what you'd like to showcase, how much time you'd need (not exceeding 5 minutes) and the type of equipment you'd need and space.

Please do not hesitate to reach out to us at any time from now until October 18th with any questions or concerns you may have.

Thank you all for your continued participation. We look forward to showcasing and celebrating your talent! Please feel free to share this email with others. Help the Arts come alive October 25 in Bridgewater!!!

Warmly,
Stephanie Moench
